
THE ROAD NOT TAKEN

by: Robert Frost

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted
wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

We're All Children

"Children are the tender little crop of human beings sown by each successive generation. They require the water of life called Love, they require the cultivation of life called Guidance, they require the protection of life called Wisdom. In this way, a child grows as a beautiful oak: strong, straight and tall, to drop acorns of life on the ground beneath, to take up the course that nature has intended."

Carl Wolfe

LIVING UNITS

Townhouse Apartments

Staffed by a Head of Residence and 13 Resident Assistants, the townhouse apartments provide an alternative for those students interested in an innovative and independent living situation.

Life in the townhouses differ from that of the other dorms. The dorm council sponsors some activities such as: Holiday parties, Dinners, Hoop contests, Cookouts, and Backgammon tournaments.

The main responsibility of entertainment lies in the needs and wants of each individual. This can either be a quiet time to study, or an opportunity to relax, unwind, and enjoy your neighbors.

Townhouse memories of playing frisbee on warm days listening to the stereo, or having snowball fights in a raging blizzard, will never be forgotten.

Hoosac Hall

Staffed by a Head of Residence, and six resident assistants, Hoosac Hall houses approximately 220 women students, and is an example of a traditional residence hall setting. Living in Hoosac Hall, like any dormitory, is a unique experience. Various activities sponsored by he dorm council make living here a fun and warm

place. Activities that will be fondly remembered are: Halloween, Christmas, and St. Patricks Day parties, cookouts, workshops, and contests. Through these activities and the closeness in living space, a strong bond is usually developed on each floor.

Benefits of living in Hoosac Hall are many, close friends, involvement on intramural teams, study groups and learning about yourself, are just a few of the benefits received. Indeed, the benefits far outweigh the liabilities. Good friends and good times are the most treasured memories one has about Hoosac Hall.

Life in Berkshire towers is a happy atmosphere where you can always see a smiling face. On warm days memories consist of sunning on the front deck listening to someones stereo from up on the 8th floor.

Greylock Hall

Greylock Hall, unlike the other dorms, is located off-campus. It is an all woman dorm that houses 50. The women in Greylock develop close friendships because of the small living quarters. Cookouts and informal parties create a family-type atmosphere.

OFF-CAMPUS LIVING

Off-campus living is for the student who wants to go it alone. No rules of the dorm or restrictions, you come and go as you please. Life off-campus is the independent student's dream. The atmosphere is usually relaxed and happy. Parties are no strangers to off-campus students, you can always find several mega-parties on Friday and Saturday night, remember Church Street?

Upperclassmen usually find that off-campus living is better suited for their study and living habits. Memories for the off-campus student is of wild parties, quiet times with friends and neighbors, and great roommates.

SOCIAL ACTIVITIES

Christmas 1979

Even though we may be older, we still enjoy celebrating Christmas. We have presents, friends and even Santa Claus. It reminds us of when we were kids and brings back many memories.

Halloween

Hidden by our clever disguises with little - well, maybe some-fear of being caught, we join in the age-old pagan celebration with a little hedonism of our own. Pub dances, apartment freak-outs and dorm parties were available to everyone with a penchant to party — and what better time than Halloween.

MONTE CARLO

Gamblin' Fever strikes N.A.S.C. twice a year. It's a time when mild mannered students become glazed eyed, fast handed maniacs, as the rush to the tables begin!

Sweethearts danced cheek-to-cheek at the annual Valentine's Dance sponsored by the Senior Class. The ever popular, Whirlwind provided the music into the small hours of the morning.

NITE-CLUB NIGHT

Long-awaited Spring was properly feted with cocktails, dinner and dance at the Sheraton Inn. The annual semi-formal gives NASC students a fine chance to strut their stuff in semi-formal dress. This year's Spring Social featured the popular band MAIEH.

BETA CHI GAMMA FRATERNITY

In 1978 Beta Chi Gamma lost their house to fire. Since that time many changes have taken place. A new house was bought, which houses a group of wild and crazy men. The membership has doubled and the loyalty to each other, and the fraternity, is stronger then ever.

BETA LAMBDA SORORITY

Bata Lambda Sorority, the silent sisters of Beta Chi Gamma, are a group of girls who support each other through trust, friendship, and loyalty. Each girl brings to the sorority her individuality, enabling the sorority to grow and prosper. The education acquired from the sorority is one of academics as well as developing individual awareness.

KAPPA
DELTA PHI

Kappa Delta Phi has seen some bad times in the past. This year seems to have been a turning point for them. Ever present all over the campus are their brothers and pledges. Kappa may have experienced difficulty, but you'd never know it, because its members are very head strong on changing the past.

KAPPA
OMICRON

A silent group of sisters, are suffering greatly. The membership is almost all alumni, and few faithful sisters remain to carry on the sorority tradition. The bond between the brothers and sisters of Kappa is strong, each help and support each other. Although these are tough times Kappa has the ability to come through.

The Pub

The pub, long known for student entertainment, provided many sources of creative entertainment in 1980.

YAHOO FEST

May 10 1980, a warm spring day when hundreds of students relaxed and enjoyed the days activities; a raft race, air guitar contest, and plenty of water fights.

Sponosred by the NASC Outing Club, the Yahoo Fest was a complete success, and a memorable time for all who attended.

MUD FEST

Every year students wait for this day, a day when they can return to their childhood. Mother always said not to get so dirty, but dirty is the order of the day. Whomever is the most daring and gets the dirtiest, wins the title of king and queen pig, a trophy is awarded to the winners and everyone heads for the showers.

SPORTS

Intramurals

The ancient Greeks recognized the importance of physical activity. The intramurals program at North Adams State College provides all students with an outlet to remain physically active. The intramural calendar offers something for every caliber athlete. Different divisions and different sports help to make intramurals competitive and fun. This year the intramural program reached a new high with eighty percent student participation. Obviously, the Greeks are not the only ones to recognize the importance of physical fitness.

ACADEMIC ACTIVITIES

Student Activities Board

Answering student needs for on-campus entertainment, the SAB presented an outstanding array of talent and activities diverse enough to attract even the most studious! Two highlights of the SAB's offerings: the mime Trent Arterberry and a trip to the Big Apple for the Broadway show Annie. *All planning, promotion, and presentation is by students selected by interview. The SAB is a branch of the Student Association.*

The students are directly involved in running the activities of the Campus Center. They decide on activities and entertainment for other students at NASC. There is a weekly meeting to plan upcoming events and and additional time spent at the sponsored activities.

Musical Performances

Chanticleer. Motets. A Cabaret Evening. Just some of the ways NASC students can rehearse their musical talents and share them with the larger community. All performers are students, representing NASC in the best possible way at local events like NASC Pub Talent Night, 1980 Miss Northern Berkshire Pageant and the Presidential Honors Dinner, and in sterling performances for the college itself. Participation is open to all students, not only those in music curricula

Orientation Leader Training

Once through the threshold of sion to NASC, the freshmen are ori... 'ASC academic and social life by a trained group of 60 upperclassmen who undergo a series of training sessions in academic advisement and interpersonal and group dynamics. They are shown here in one of the lighter moments — How to Break the Ice with a Group of Nervous Frosh!

I sought my soul,

But my soul I could not see.

I sought my God,

But my God eluded me.

I sought my brother,

And I found all three.

- William Blake

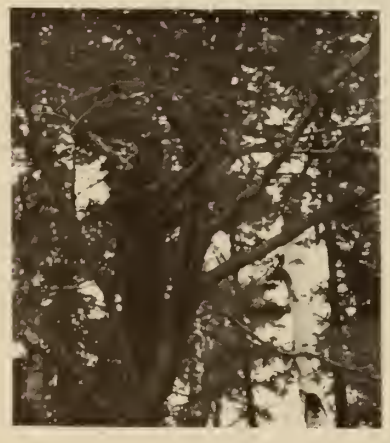
ALCOHOL AWARENESS PROGRAM

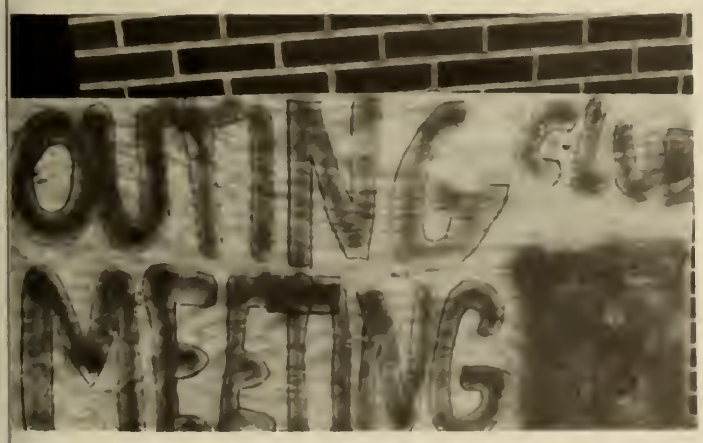
This program headed by Dr. Jim Sulzman, and students, Bob Sheri and Bill Allen is aimed at making students aware of the consequences of drinking, both legal and social. Lectures, demonstrations, and counseling are made available to all students.

Boxing at NASC is relatively a new sport. Established in 1979 by students Bob Berg and Tom Calter, membership consists of men who learn the rules and strategy of the game.

Outing Club

Lured here perhaps by the glory of the surrounding country, NASC students have only to look to the Outing Club for all the equipment necessary to enjoy it. Supported by student fees and membership dues, the Outing Club provides a complete array of camping, mountaineering, and sports equipment for its members. Student volunteers staff the club office and manage all club affairs.





OUTING club
MEETING

Dance Club

Disco not your style? The choice of dance expression is yours with the NASC Dance Club. Meeting in fine facilities in the Campus Center, members enjoy instruction and performance in modern, interpretive and ballroom dance. The Dance Club sponsors a spring fashion show and profited from the Trent Arterberry visit for a workshop with the accomplished mime.

GEOGRAPHY CLUB

Small as this club might be, the work it does is excellent. Maps of the area and it's surrounding towns are drawn up at the request of the school, and town officials.

The club also has the honor of being a member of the National Geographic Society, giving this club a chance to represent North Adams on a national level.

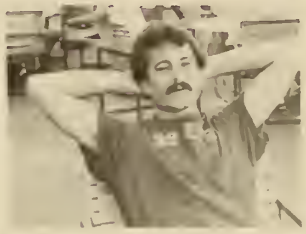
SENIOR WEEK

MAY 28 - 30, 1980



The New Music Authority became a more powerful voice in the Berkshires this year as WJJW, Fm 91 leaped from 10 to 423 watts of transmitting power! Featuring a daily program of new rock and old favorites, WJJW provides on-air experience for its student volunteer staff 21 hours per day.

A change in name transformed the NASC student newspaper from the SEED to the BEACON mid-year. The student-run weekly provides hands-on experience in writing, editing, and lay-out for approximately 20 students per semester, with Mike Haines as faculty advisor.

Determined to preserve the all-important memories of college life, the MOHAWK staff started from scratch to provide the finest yearbook produced by NASC students. New skills were learned, frustrations were met head-on, late hours accumulated as the yearbook became a reality. The 1980 MOHAWK became a yearbook for the whole student body.

"It's an experience you'll never forget" was the commonest remark. We hope it captures the experiences you'll never forget, too.

Many thanks are given to the many people who helped and contributed to our effort. The Mohawk is a young organization, but it is our hopes to see it become a respected, vital contributor to the learning experience acquired at NASC. A Special Thanks to Judy Jones for her help and understanding during the long, late hours while in production of this book.

NO MAN IS AN ISLAND

No man is an Island, entire of its self;
Everyman is a piece of the Continent-
A part of the main;
If a clod be washed away by the Sea,
Europe is the lesser;
As well as if a Promontory were.

Any man's death diminishes me,
Because I am involved in mankind.
And therefore never send to know
for whom the bell tolls;
It tolls for thee.

by: John Donne

Man's mind,
stretched to a new idea,

never goes back to its original dimension.

Oliver Wendell Holmes
